**GENERAL FACTUAL ALLEGATIONS**

14. Plaintiffs incorporate by reference paragraphs 1 through 13 of the Complaint as though fully set forth herein.

15. Plaintiffs were employed as process servers in Genesee County in the Eastern District of Michigan.

16. Defendant, Pickell is the elected Sheriff of Defendant, Genesee County and as such is the highest ranking law enforcement official in the county who is in the unique position of personally creating and implementing all policies and procedures for Defendant, Genesee County regarding the Genesee County Sheriff's Department, including but not limited to the General Rules of the Office of the Genesee County Sheriff and all of the acts described in this Complaint.

17. Defendant Hope was deputized as a Genesee County deputy by Defendant Pickell and at all times relevant was acting under the authority and power of the Office of the Genesee County Sheriff and was acting as an agent and representative of Defendants, Pickell and Genesee County.

18. At all times relevant, Defendants, Pickell, Hope and Allen & Hope were acting as agents and representatives of Defendant, Genesee County.

19. Beginning in 2006 at the latest and continuing up until December 2016 Plaintiffs were deputized by Defendant Pickell to act as a deputy and agent for the Genesee County Sheriff's Department which would allow Plaintiffs to receive various assignments from the District and Circuits in Genesee County and be paid for this work by Defendant, Genesee County.

20. In exchange for deputizing Plaintiffs, Defendant Pickell charged Plaintiffs each between \$65.00 and \$300.00 per year and all other process servers accepting assignments

from Defendant, Genesee County resulting in an annual windfall to Defendants Pickell and Hope of between \$1,200 and \$6,000 each year over a period of at least 10 years. (Exhibit "A").

21. Plaintiffs were required to submit checks made payable to Defendant, Pickell personally, The Committee to Retain Sheriff Pickell or a charity selected by Defendants to Defendant, Hope or Defendant, Pickell's secretary at the Genesee County Sheriff's Department.

22. Upon information and belief, no other County in the State of Michigan requires any monetary fee to be deputized.

23. After receiving these payments from Plaintiffs Defendant, Hope acting as Defendant, Pickell's appointed agent and representative endorsed the checks and deposited them into a bank account for the personal financial gain/benefit of Defendants.

24. Each year from at least 2006 continuing until 2016 Defendants would take and receive money not due to them under the pretense that they were entitled to the money by virtue of Defendant, Pickell's political office.

25. Defendant, Pickell's acts of charging Plaintiffs to be appointed and deputized to act as deputies of the Genesee County Sheriff's Department in exchange for monetary gain is also in violation of the Michigan Penal Code MCL 750.118 which states:

Public officer accepting bribe—Any executive, legislative or judicial officer who shall corruptly accept any gift or gratuity, or any promise to make any gift, or to do any act beneficial to such officer, under an agreement, or with an understanding that his vote, opinion or judgment shall be given in any particular manner, or upon a particular side of any question, cause or proceeding, which is or may be by law brought before him in his official capacity, or that in such capacity, he shall make any particular nomination or appointment, shall forfeit his office, and be forever disqualified to hold any public office, trust or appointment under the constitution or laws of this state, and shall be guilty of a felony, punishable by imprisonment in the state prison not more than 10 years, or by fine of not more than 5,000 dollars.

26. Defendants extorted the money from Plaintiff's as described above for their own financial gain.

27. During the time period Defendants engaged in this pattern of extortion, Defendant, Pickell was also involved in multiple bids for re-election as the Genesee County Sheriff.

28. Upon information and belief, Sheriff Pickell has ruled, used and abused his political office through intimidation, force and threats to retaliate against his political opponents and others who speak out against him.

Upon information and belief, Defendant Pickell retaliated against a prominent, Civil Rights attorney who had been successful in a civil rights/employment case against Defendant, Pickell's department which settled for \$500,000 and publicly donated \$150,000 to the political action committee ("PAC") designed to defeat Defendant, Pickell in his campaign for re-election by having employee(s) of the Genesee County Sheriff's Department follow this attorney.

31. Upon information and belief Defendant Hope created one or more facebook sites, under the fictitious names to make false and slanderous accusations against this Civil Rights Attorney and other well-known Flint attorneys all of whom publically supported Defendant, Pickell's opponent in the August 2016 primary.

33. Upon information and belief Defendant Hope put up Re-Elect signs for Defendant, Pickell's re-election bid in yards throughout Genesee County.

34. Upon information and belief Defendant, Hope hired people to tear down Defendant, Pickell signs so Defendant, Pickell's campaign could blame his opponent, Dan Allen's campaign and/or supporters.

35. Upon information and belief Defendant Hope would conduct auctions and private sales of valuable items confiscated or repossessed while acting on behalf of Defendants, Pickell and Genesee County in a manner to allow himself, Defendant, Pickell and Undersheriff Christopher Swanson to purchase these items at a price far below their value.

36. Upon information and belief, in exchange for Defendant, Hope's patronage and underhanded, deceitful and illegal activities, Defendant, Pickell rewarded Defendant, Hope by awarding him the exclusive rights to all process serving activities for Defendant, Genesee County and terminating Plaintiffs.

37. Upon information and belief, the exclusive rights to all process serving activities has an annual revenue of between \$3 million and \$5 million.

38. During the time period from 2016 until November 2016, in addition to extorting money from Plaintiffs Defendants required that anyone deputized support Defendant, Pickell in his multiple bids for re-election.

39. In 2016 Defendants learned that Plaintiffs did not support Defendant, Pickell in his bid for re-election and did not engage in political activities on behalf of Defendant, Pickell and in fact supported Defendant, Pickell's opponents.

40. In response and retaliation for Plaintiffs' political patronage of Defendant, Pickell's opponents, Defendants refused to deputize Plaintiffs thereby costing Plaintiffs the ability to receive assignments from Genesee Courts.

41. On or about December 6, 2016 Defendant, Pickell sent Plaintiffs, as well as all other process servers not working for Allen-Hope & Associates, each a letter advising them that his office was going to "exclusively use the firm of Allen-Hope & Associates to serve orders for seizure [sic], evictions, claims and delivery, and foreclosures [sic]." (Exhibit "B")

42. In the December 6, 2016 letter, Defendant, Pickell also identified Defendant, Hope as his representative stating "I want to thank you for your understanding in this matter,

and ask you to contact my representative, Scott Hope, if you have any questions and/or concerns." (Exhibit "B").

43. Defendant, Genesee County had the custom, practice and policy where Defendants would take and receive money not due to them under the pretense that they were entitled to the money by virtue of Defendant, Pickell's political office.

44. Defendant, Genesee County had the custom, practice and policy of retaliating against employees and independent contractors who did not support Defendant, Pickell and instead supported Defendant Pickell's opponents.
